WHAT IS THE CISR DESIGNATION?

The CISR designation stands for Certified Insurance Service Representative. It is designed to serve the practical needs of customer service representatives, newly licensed producers, company personnel, and those who wish to refresh their product knowledge. Participants pursuing the designation must attend and pass five one-day courses over a three-year period.

Accommodations

We work hard to make our programs accessible to all. Please let us know of any dietary restrictions you may have if you plan to attend an in-person course. If you need any accommodations, please call MAIA at 573-893-4301.

Continuing Education

Each course will be filed for continuing education credit in all states. Exact CE hours may vary by course. If you have questions, please contact The Alliance at alliance@scic.com.

Examination

CISR exams must be taken online through the PROfile page. For in-person participants who want to take the exam the day of the course, MAIA will proctor the exam immediately following the course, but participants must provide their own equipment to take the exam. The exam can also be taken online until Thursday at 11:59 p.m. the week following the class, but will require a disinterested third party to proctor the exam. For more information on selecting a proctor and taking the online exam, visit riskeducation.org/proctor-monitor-rules. If you need assistance, the exam help inbox (examhelp@scic.com) is monitored during normal business hours of 8 a.m. – 5 p.m. CT.

Cancellation Policy

You will not receive a refund or transfer credit if you do not notify us before the start of the event. All cancels and transfers must be received in writing. Refunds: A 90% refund applies if cancelling more than two weeks prior to start of event; 75% refund if cancelling fewer than two weeks before the event.
